F'digital Moves

Just a quick note to let you know that F'Digital will be relocating early next year. From January the 14th, F'Digital will be moving into the Omnigraphics building, which is located nearby at 10 Normanby Road, Mt Eden.

Please update your address books with the following changes (as of January 14th 2008):

F'Digital Ltd.
10 Normanby Road, Mt Eden
PO Box 10-8176
Symonds Street
Auckland

All email, telephone and fax contact details will remain the same.

F'Digital will receive its exclusive production area within Omnigraphics, and will continue to operate as a separate company. The move to Omnigraphics is therefore an exciting opportunity for us to extend our customer service and product offering to all customers, and to improve our internal processes as part of a larger print service group. We thank you for your custom throughout 2007, and look forward to a successful 2008.
